PROGRAM GUIDE

In Parks, We Play!

Hello Hutto!

My how time flies! Last summer was one of the hottest on record and still great crowds came out to our concerts, movies and library events. Well we are ready for you and your friends & families to come back again this year as we celebrate the fifth year of Fritz Park. The Cottonwood Trail Phase II was completed in January and extends the park trail all the way from Hutto Elementary School through Fritz & Creekside Parks all the way to Nadine Johnson Elementary.

As always the movies and concerts in the park will return and you can register your child for our Park Kids Summer Camp program. Fields trips and swimming make this a great way for kids to stay active and spend the summer having fun.

Open gym was a great highlight last year and if you love basketball, come it out check out again at the College Street campus. Adults looking stay in shape this summer can enroll in our Fitness Boot Camp or play in the annual summer softball league! Seniors also get together each Monday for dominoes and friendship!
